Lowering of approx 20-30 mm

With the MANSORY Lowering Suspension you have the optimal symbiosis of excellent ride comfort during normal driving and agile direct response during fast cornering.

The product described in the instructions has been developed, and manufactured under consideration of the necessary safety regulations, and is subject to quality checks. To guarantee flawless, safe function and to eliminate any risk to people or property, this product must be installed properly. Therefore installation should only be carried out by trained specialists, with the specific technical and specialist knowledge required for installation in a vehicle, and the necessary tools. For this, you must carefully read and understand the fitting instructions.

*matte coating on request - All listed carbon fibre parts are produced from standard MANSORY Carbon fibre fine (T200), or like the same carbon fibre as OEM standard parts. Prices and technical specifications are subject to change without prior notice, errors reserved.

All prices calculated net, ex works excluding VAT, without painting and modification work.
